

# Our School Newsletter

**Summer 2022**

**Dear Parents and Carers,**

What an amazing term we have had at Create Primary! There have been so many wonderful enrichment clubs that the children have been able to enjoy including drumming, Arts Week (massive thank you to Sharlene for organising), Sports Day and Graduation.

I would like to take this opportunity to thank the staff, pupils and parents/ carers for all the hard work this year – thank you!

A fantastic team effort which has led to a very successful academic year – well done everyone!

**Soumaya Selmi, Deputy Head Teacher**  
TCES Create Learning Primary

## CREATE PRIMARY'S FIRST BIRTHDAY

On 26th May we celebrated a whole year of TCES Create Learning Primary.

Parents, carers and families were invited to view their children's work, before speeches from Soumaya and TCES CEO Thomas Keaney, lunch, and of course, birthday cake. Every pupil received a certificate and

special gift from Soumaya and Thomas, and it was also a fantastic opportunity to thank all of our staff for their hard work.

We can't believe we've been providing specialist education for primary-aged pupils for a whole year. Here's to many more!

## MUSIC CLUB

Our music club has been a massive success. Our pupils had the opportunity to listen to music, follow a beat and use a range of instruments – an experience we will be having again in the future. Thank you to Joe for organising. We can't wait for the next one!

## SPORTS DAY

We celebrated our very first Sports Day this year. ALL the children were fully engaged and loved participating in all the activities.

Every child received a medal for their efforts – well done!

A huge thank you to Marvin and Jaffa for putting it together. It was a lovely event and one which we will be inviting parents and carers to next year.

## GRADUATION

To celebrate the achievements of all our exceptional pupils, we had our very own Graduation Day.

We were overwhelmed by the brilliant turnout of parents and carers that joined us.

We would like to say how proud we are of every pupil. They have come a long way from their starting points and should be equally as proud – well done! I am certain that next year will be equally as positive.

## A REAL SUCCESS STORY

We would like to say a very HUGE well done to Cairo who is our very first pupil to step down into one of our TCES schools.

Cairo was our first pupil and began the journey with Create Primary in April 2021. Throughout the academic

year, we have watched him flourish and develop in confidence.

We are so proud of how far he has come and wish him all the very best for the future. We will be sure to keep in contact, hearing about all the continued success.

## WELCOME BACK TO OUR SAFEGUARDING LEAD

Create Primary has recently welcomed back our Senior Practitioner and Designated Safeguarding Lead following a period of maternity leave. As part

of the Senior Leadership Team, Tashanna oversees safeguarding across the school and works closely with teachers, professionals, parents/carers and pupils to ensure

that Create Primary is a safe space for us all. In September, Tashanna will be contacting all parents/carers for a personal hello!

## TERM DATES

We look forward to seeing you all on **Tuesday 6th September** for **Induction Day**. During the Induction Day, you will be given an hour slot to come into school with your child to talk through your child's success reports; what went well last academic year and next steps. You should have all received your child's End of Year report and a time but if you have yet to receive this, please do not hesitate to email Soumaya who will be able to assist.

**Children will return to school at 9am on Wednesday 7th September.**

As always, if you have any questions/ would like any support, please do not hesitate to contact me over the holidays and I will endeavour to get back to you as soon as possible.

I would like to thank you once again for your continued support.

Your children have had an amazing year and should be SO proud of themselves.

Have a well-deserved break! 😊

Best wishes,

**The TCES Create Learning Primary Team**
