

Public Transportation

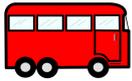

I  take a  bus or a  train to get to  school.

I  feel safe  taking a  bus or  train because I can wear a  mask

and  wash my  hands using hand sanitizer dispensers in them.

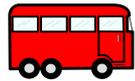

I make sure to keep a safe distance between other people.

The bus or train is the best way for me to make it to

school.

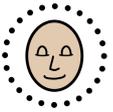

I know that the buses and trains are safe to ride.

The Transport Authority is always cleaning the buses and trains

that I ride.

I feel safe riding a bus or a train to school.
