

**Personal Protective Equipment (PPE)**

When

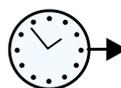

I

come back into

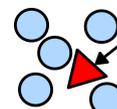

school

things

will

be

different

to

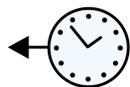

what

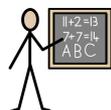

I

was

used to.

The

teachers

and other

staff members

may

be

wearing

protective

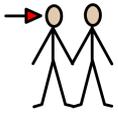

clothing

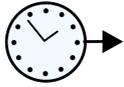

called

PPE.

They

will

be wearing

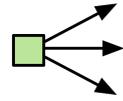

PPE

to

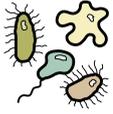

stop

the

spread

of

germs

which

make

people

sick.

I

might also

wear

some

PPE.

The

PPE

could be

masks,

gloves,

face

shields

or

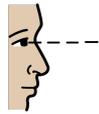

gowns.

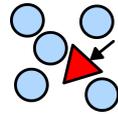

People

might

look

different

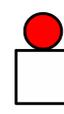

with

the

PPE

on

them

but

I can

remember

this is to

keep

people

safe

and

healthy.

If I

feel

confused

or have

questions

I

should

speak

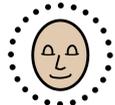

to an

adult

I

trust.
