# Why am I going back to school?
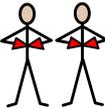

We have been away from school for a long time because of the Corona Virus. I have been learning from home.

It is now time for me to go back to school.

Our Prime Minister, Boris Johnson, said that pupils who need to go back to school can go back to school.

I am going back to school becuase my school wants to keep me safe.

Not everyone will be back at school yet, but more pupils will start coming back.

It's ok if I feel worried about going back to school, but I can
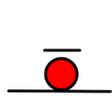

remember that it is safe for me to go back to school.

We still have to follow social distancing rules to make sure everyone is kept safe at school.
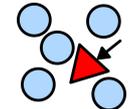

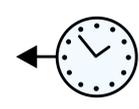

Other things might also be different to what I was used to at school.

But, I can remeber that it is safe for me to go back to school.
