Post-16 Hub Café

Entrepreneurship and Catering Opportunities

The Hub is a multifunctional café for our post-16 students with classrooms and catering facilities. The Hub provides our students with opportunities to gain work experience, and it also allows them to develop sustainable work-based learning skills.

TCES NORTH WEST LONDON

Curriculum and timetable

Curriculum Design

Pupils study core subjects across the National Curriculum alongside TCES specialisms such as LIFE, Group Process and Music, using our specialist music rooms.

Important enrichment opportunities include trips inside and outside of London as well as milestone TCES events such as Celebration Day.

Pupils also enjoy on-site enrichment clubs using the outdoor facilities, including a new games area and garden.

Post-16

Most young people stay at TCES North West London through to Post-16 and until they are ready to Step Down into a further education, college or move into employment.

Depending on their needs and levels, Post-16 students benefit from a wide offer, ranging from Level 2 qualifications in Maths & English to specialist awards and opportunities for work experience and integration into further education Colleges if appropriate.

Outcomes

- **Young Leaders** - who lead themselves, lead others and lead in their communities.
- **Successful Learners** - who enjoy, make progress, achieve and 'want to go to school'.
- **Confident Individuals** - who can live safe, healthy and fulfilling lives
- **Responsible Citizens** - who make positive contributions to society.
- **Independent Young Adults** - who can work with others and be healthily independent when required.

Destinations

- Most pupils stay with us until year 11 or extend into our Post-16 option up to year 13 (and beyond if funding is provided).
- Some pupils may progress into mainstream schools or colleges.
- Last year, 100% of TCES pupils graduated into education, employment or training.
